

Danish Crown

Sokolów SA, as a part of the Danish Crown Group, is pleased to invite you to the 4th edition of our Graduate Programme

Danish Crown Graduate Programme

Do you want to become a future leader in Danish Crown and leave your mark towards a more sustainable future for food?

Then kick-start your career as a Danish Crown Graduate and become part of an ambitious, informal and result-oriented culture with global career opportunities.

Three rotations and plenty of international experience

Joining a group of graduates at Danish Crown, you will support, help, guide and challenge each other. In the two-year programme, you will be on either our Business Leadership track or Production Leadership track. In both, you will experience three rotations of eight months each. Working in three different departments, which could include Sales, Marketing or Supply Chain across three different Danish Crown business units. At least one of your three rotations will be abroad in either e.g. the UK, China, Poland, Sweden or Germany.

If you have an international mindset and want to become a future leader, the Graduate Programme is perfect for you. To enter, it is important that you:

- have graduated within the last two years or are about to graduate
- have a bachelor's or master's degree in International Business, Food Science, Engineering, Communication, Psychology, Animal Science or another relevant field
- enjoy building relationships with stakeholders across an organisation
- have a drive towards results and seek innovative solutions and act on them

For additional information, please visit our Graduate Programme site or our website
