D. Additional requirements

D BERLIN 01:

- Master students need to send a bachelor certificate OR a transcript of records with 180 ECTS credits to the Student Exchange Office. All master programs are consecutive master programs at D BERLIN 01. A consecutive master's program builds on a previously completed bachelor's program **in the same field**.
- PhD students need to send a master certificate to the Student Exchange Office. PhD students will only receive ECTS credits if they complete courses at the host institution. Therefore, they will not receive any ECTS credits from the host institution for PhD-related research they undertake. The home institution is responsible for accrediting PhD students with ECTS credits for research completed at the host institution.
- It is not possible for students to hand-in their final BA-/MA-/PhD-thesis at the host institution. Final theses need to be graded by the home institution.
- Family-friendly organization of studies: To enhance compatibility between academic careers and family life, Freie Universität Berlin strives to ensure a family-friendly higher education environment. The university has already taken a number of actions to ensure that academic activities are organized to be friendly toward families, including preferential registration for seminars.

Contact: Family Support Center of Freie Universität Berlin, familienbuero@fu-berlin.de, www.fu-berlin.de/familienbuero

- Freie Universität Berlin offers counseling for students with disabilities and chronic diseases. We assist with finding suitable accommodation (wheelchair users are advised to apply for accommodation as early as possible), we provide information about public transport, access to health care, and about financial support in case of additional disability expenditure on the part of the student. The Office for Students with Special Needs moreover gives information concerning the accessibility of university buildings and helps to move a class to another room, if needed. Accommodated study and exam conditions, e.g. additional study papers for blind and visually impaired students, or extra time to use technical devices during exams can also be arranged.

Contact: Freie Universität Berlin, Georg Classen, Counselling for students with disabilities and chronic diseases, Thielallee 38, at corner of Otto von Simson Str, D 14195 Berlin, 1. OG Raum 213 (opposite to Career-Service), Tel 030-838-55292 Fax -54511, E-mail: georg.classen@fu-berlin.de
www.fu-berlin.de/service/behinderung

- For the implementation of STA/STT-mobilities, a letter of invitation – issued by an FU Berlin contact person – is required.
- Please send us the nomination via E-Mail to incoming@fu-berlin.de NOTE: Nominations not matching the respective level of study or subject area agreed upon in the Bilateral Agreement are automatically corrected to that in the Agreement. Students should be nominated for entire existing term periods. Students coming to the FU for a term-overlapping stay must be nominated for both semesters!
- While Erasmus students do not pay study or registration fees, they are required to pay social fees and the public transport ticket ("Semesterticket"), which is valid for one term. This payment must be made before or during the personal enrolment. Exemption from the public transport ticket is not possible. Furthermore, every German household is required by law to pay the so-called "GEZ Gebühr" (television license). Erasmus students are required to contribute to the household television license: https://www.rundfunkbeitrag.de/e175/e5280/Informationen_fuer_Studierende_Englisch.pdf

F. Information

1. Grading systems of the institutions

D BERLIN 01:

ECTS Credits: The Freie Universität Berlin uses the *European Credit Transfer and Accumulation System* (ECTS) which is a workload-based system for measuring and comparing study results. The student is awarded a certain number of ECTS credits for each course which reflects the workload necessary to successfully complete a course. Credits are awarded only when the student has fulfilled the course requirements, for example regular attendance. The credits are allocated by the individual departments in accordance with the standard workload determined by the respective study and examination regulations whereby one credit equals 30 hours of study. Please note that the Student Exchange Office refrains from prescribing a standard workload per semester.

GRADES: The Student Exchange Office recommends the following grading equivalency table:

Freie Universität Berlin	ECTS	
Grade	Grade	Predicate
1,0 – 1,5	A	Excellent
1,6 – 1,7	B	Very Good
1,8 – 2,0		
2,1 – 2,7	C	Good
2,8 – 3,0		
3,1 – 3,5	D	Satisfactory
3,6 – 3,7	E	Sufficient
3,8 – 4,0		
4,1 – 5,0	F	Fail
P	Participation; i.e. the student has successfully and regularly attended the course.
