C. Recommended language skills

The sending institution, following agreement with the receiving institution, is responsible for providing support to its nominated candidates so that they can have the recommended language skills at the start of the study or teaching period:

Receiving institution [Erasmus code]	Optional: Subject area	Language of instruction 1	Language of instruction 2	Recommended language of instruction level ⁶	
				Student Mobility for Studies [Minimum recommended level: B1]	Staff Mobility for Teaching [Minimum recommended level: B2]

PL WROCLAW04		English	Polish	B2	B2

For more details on the language of instruction recommendations, see the course catalogue of each institution: links provided on page 1.

TR ISTANBU 64: All the lectures, *except 5th year clinical practice groups, are in Turkish. Therefore, students which are planning to come for semesters before 9th or 10th need to know A2 level Turkish to join the lectures and the exams. For PhD students, English will be enough to follow the studies*

D. Additional requirements

PL WROCLAW04:

The Wroclaw University of Environmental and Life Sciences welcomes students and staff with disabilities. However it is advised to provide the Institutional Coordinator with more detailed information regarding specific disability prior to nomination.

TR ISTANBU 64

The selection criteria for students and staff are regulated by the sending university; measures for preparing, receiving and integrating mobile students and/or staff are organised by the receiving institution.

Erasmus Incoming Students have to choose courses from the department with which the agreement is existing, they can choose two courses from any faculties as long as the courses are not overlapping!

For the implementation of STA/STT-mobilities, a letter of invitation – issued by a Istanbul University-Cerrahpaşa contact person – is required.

⁶ For an easier and consistent understanding of language requirements, use of the Common European Framework of Reference for Languages (CEFR) is recommended, see <http://europass.cedefop.europa.eu/en/resources/european-language-levels-cefr>

F. Information

1. Grading systems of the institutions

PL WROCLAW04: <https://upwr.edu.pl/en/students/erasmus-ects/local-grades>

TR ISTANBU 64:

ECTS Credits: Istanbul University-Cerrahpaşa uses the *European Credit Transfer and Accumulation System (ECTS)* which is a workload-based system for measuring and comparing study results. The student is awarded a certain number of ECTS credits for each course which reflects the workload necessary to successfully complete a course. Credits are awarded only when the student has fulfilled the course requirements, for example regular attendance. The credits are allocated by the individual departments in accordance with the standard workload determined by the respective study and

examination regulations whereby one credit equals 30 hours of study. Please note that the Student Exchange Office refrains from prescribing a standard workload per semester.

GRADES: Istanbul University-Cerrahpaşa recommends the following grading equivalency table:
